

# Savior

The most powerful non-electric vacuum container ever built.

# What is Savior?

Savior is the world's most powerful vacuum sealer ever made for a non-electrical storage device.

Our patented technology increases the shelf life of foods dramatically and suits a multitude of uses where a strong vacuum seal is required .

The Savior vacuum storage device will introduce an enhanced and healthier

lifestyle to your household by keeping food fresher, longer and reducing expense and waste.

Savior is also great for outdoor activities such as camping, hunting and fishing.

With storing and cleaning made easy, we believe the Savior is a must have for a modern kitchen and lifestyle.

# Easy operation but not easy

**1** Create an air tight seal in seconds with 3 easy twists of your wrist!

**2** Release the vacuum by pressing the release bottom

## Just an easy twist of your wrist

Forget about the complex operation with other vacuum systems. You no longer need to use a pump or electricity. With the Savior, it will allow you to use it anywhere anytime.

Take it with you outside the kitchen. Now you can go camping, hunting and fishing without being tied to an electric cord. Create an air tight seal in seconds with 3 east twists of your wrist.

# Up to 8X Shelf life

## Save money & the environment

Based on our research, we waste around \$100 dollar per month on foods and products because the products expire before we can consume them.

Savior will help you save money and keep your carbon footprint low. Help protect the world!

(Based on family of 5)

# Except fresh also Clean

## Easy to clean

Stain-resistant structural design, makes it easy to clean and care for.

## Dishwasher Safe\*
